CSSI welcomes new employees

July 7, 2009, Lewisburg, PA

Computer Support Services, Inc., a supplier of business technology products and services in central Pennsylvania, announces the addition of three employees.

Paul Rozak joins CSSI as a Senior Account Manager based in the Pittsburgh region. Rozak will develop the Bar Code and Logistics business in Western Pennsylvania, Eastern Ohio, and South-Western New York. Rozak comes most recently from Psion Teklogix where he worked since 2004. Prior to that, he worked with Intermec for fifteen years. Rozak is an alumnus of Harvard University with a BA in Economics

Zach Thomas joins CSSI as a Technology Specialist. Thomas graduated from Penn Tech with two bachelor degrees – one as a Network specialist and the other as an Information Security Specialist. Thomas interned at Wood Mode as an IT assistant for four summers before coming to CSSI.

Andrew Frederick joins CSSI as a Software Implementation Specialist. Frederick will be part of the Core Integrator (CI) Team. CI is CSSI's premiere document and workflow management software. Frederick will work closely with the other members of the CI team to configure, install, and implement customer solutions. Frederick comes to CSSI with over 13 years experience in the IT field and previously worked for Geisinger Health System and Practical Software Solutions, Inc. Frederick is a graduate of Bucknell University.

Frederick and Thomas will work out of the company's headquarters in Lewisburg. Rozak will be located at the Pittsburgh office.
